Mr. Hightower,

Currently there is nothing in writing concerning such a policy.

However, that does not negate the right of the board of directors to set the rules of conduct for each meeting.

Subject: District Policy on personal tape recorders

Hi Larry—

When you get a chance, please provide me with a letter stating the district's new policy on personal tape recorders at district board meetings.

I need it in writing, please, citing either the district rule/resolution or the CRS which supports this.

Please let me know when I can come by and pick it up....at your convenience.

Thanks—

Dave Hightower
